

# FEW Academic Membership Program

The Forum of Executive Women (FEW) is an organization of motivated, professional women brought together to fuel success in business and to enhance the personal and professional growth of the members through collaboration, leadership, and educational opportunities.

Founded in St. Cloud in 1982, FEW's mission promotes growth and connections among professional women.

The FEW is proud to invite female students enrolled in a post-secondary institution and who are within one year of graduation to apply for an Academic Membership. Traditional, nontraditional, graduate, and undergraduate students are all encouraged to apply. Students must commit to attending the FEW meetings in August, September and October.

By attending these meetings and being part of the Academic Membership Program, the students will:

- Gain contacts and grow their networks by interacting with FEW members and each other.
- Gain professional experience to enhance their resumes.
- Experience the variety and scope of FEW by attending three different educational meetings.
